## SUMMER POSITIONS

RFNOW Inc. is seeking applications from motivated individuals to join our **Construction and Maintenance Team**. The successful candidates will be involved in the day to day operations of our Construction and Maintenance departments. We currently have two laborer roles to fill.

This is an opportunity to join a team within a growing organization and have variety in their day to day duties.

### Qualifications/Essential Skills/Requirements:

- Excellent communication skill both verbal and written
- Experience working around heavy equipment for underground construction (Backhoes, excavators, cat dozers, directional drills, hydrovac, semi/trailers, dump trailer) would be considered an asset but willing to train suitable applicants
- Experience Cleaning, lubricating, and maintaining equipment
- Conduct daily equipment inspections reports on equipment before use. Report any repair issues or equipment hazards immediately
- Secure special attachments to equipment
- Assist with general labor duties when needed, in order to complete fibre optic construction projects
- Transport materials to and from the jobsite, including loading and unloading
- Using proper tie-down procedures, secure materials to be transported to ensure the safety and security of the load
- Ensure that all work activities are carried out in a safe and efficient manner, and in compliance with company PPE standards.
- Must be willing to work away from home.

### Job Details:

- Full time
- Start date in May 2020
- Wage according to qualifications
- Must have Valid Class 5 license
- Must be High School or Post-Secondary Student
- Must be able to work Monday to Friday (50-60hrs a week), Stat Holidays off.

If interested, please contact Dave Turnbull for more information or forward resumé detailing your qualifications to [daveturnbull@rfnow.net](mailto:daveturnbull@rfnow.net)
