Fiber Optic Utility Locate Technician

RFNOW Inc. is a fast-growing, forward-thinking telecommunications company based in Viriden, MB and we are set to rapidly expand our footprint throughout Southern Manitoba and Saskatchewan. We are looking for motivated individuals interested in joining our **Utility Locate Team**.

This position uses mechanical and technical equipment to accurately locate underground utility infrastructure such as, telephone lines, electrical power lines, cable television lines, gas lines, fiber optic lines, water lines, and sewer lines.

GENERAL RESPONSIBILITIES

- Communicate and interact daily with managers, crews, utility personnel, and homeowners to discuss locating issues.
- Use company provided locate equipment and technology to accurately locate underground utilities.
- Attend and pass instructor led training to obtain locator certification.
- Read and interpret job order tickets, maps, and blueprints.
- Determine efficient route to each locate in rural and urban areas.
- Remove and replace manhole lids.
- Collect data using various GPS survey equipment, including RTK Systems.
- Use lap top computer to receive, document and email.
- Perform other reasonable duties as assigned.

QUALIFICATIONS & EXPERIENCE:

- High school diploma or GED required.
- Valid Class 5 MB driver license (or equivalent) – abstract required.
- Must be accountable, dependable, and trustworthy.
- Strong verbal and written communication skills.
- Locating experience preferred.
- Previous field experience as a surveyor is an asset, along with solid working knowledge of various GPS systems, including troubleshooting equipment and replacing parts in the field as needed is an asset.
- Proficiency with Geodatabases & Microsoft Office Productivity tools is an asset.

REQUIREMENTS:

- Successfully complete company provided locator training.
- Requires the availability for call out, including some mandatory overtime.
- May require weekend and holiday work on occasion when necessary.
- Some travel may be required, including overnight stays and out-of-town assignments and/or training.
