## Directional Drill Operator

RFNOW Inc. is seeking applications from motivated individuals interested in joining our Construction and Maintenance Team as **Directional Drillers** working out of Virден or Brandon, Manitoba. The successful candidates will be involved in the day-to-day operations including the preparation and installation of fibre internet infrastructure.

### General Responsibilities:

- Operate and maintain one of a variety of directional drill rigs for the installation of our fibre optic network.
  - Working with a JT25, JT20, and JT920 directional drill with Subsite Recon system
- Cleaning, lubricating, and maintaining equipment.
- Conduct daily equipment inspections reports on equipment before use. Report any repair issues or equipment hazards immediately.
- Secure special attachments to equipment
- Assist with general labor duties when needed, to complete fibre optic construction projects.
- Transport materials and equipment to and from the jobsite, including loading and unloading.
- Using proper tie-down procedures, secure materials to be transported to ensure the safety and security of the load.
- Ensure that all work activities are carried out in a safe and efficient manner, and in compliance with company PPE standards.
- Complete and submit all required accurate paperwork daily, including equipment daily inspection forms, and logbooks.

### Qualifications & Experience:

- Excellent communication skill both verbal and written
- Experience with heavy equipment for underground construction (Backhoes, excavators, cat dozer directional drills, hydrovac, semi/trailers, dump trailer) is preferred.
- Must have valid Class 1 or Class 3 license
- Experience with utility locates and working around existing utilities
- Must be currently authorized to work in Canada

### Job Details:

- Full time - starting immediately.
- Benefits package
- \$30/hr – \$35/hr depending on experience
- Boot and Coverall allowance
