## CONSTRUCTION OPERATORS AND LABOURERS

RFNOW Inc. is a fast-growing, forward-thinking telecommunications company based in Viriden, MB and we are rapidly expanding our footprint throughout Manitoba and Saskatchewan. We are looking for motivated individuals interested in joining our **Construction and Maintenance Team** to help lay the foundation of our business through the land preparation, and installation of fibre internet infrastructure.

- **Construction Labourer** positions from \$24 to \$26 per hour.
- **Construction Operator** positions require a class 1 or 3 licence starting at \$30 to \$35 per hour.

### General Responsibilities:

- Clean, lubricate, and maintain equipment
- Conduct daily equipment inspections reports on equipment before use and report any repair issues or equipment hazards immediately
- Secure special attachments to equipment
- Assist with general labor duties when needed to complete fibre optic construction projects
- Transport materials to and from the jobsite, including loading and unloading
- Using proper tie-down procedures, secure materials to be transported to ensure the safety and security of the load
- Ensure that all work activities are carried out in a safe and efficient manner, and in compliance with company PPE standards
- Complete all required accurate paperwork daily, including daily site meeting, driver logs, equipment daily inspection forms, attendance tracking.
- Other duties as assigned

### Qualifications & Experience:

- Experience with heavy equipment for above- and underground construction (Backhoes, excavators, cat dozer directional drills, hydrovac, semi/trailers, dump trailer) would be considered an asset, but willing to train suitable applicants
- Experience with utility locates and working around existing utilities is beneficial
- Excellent communication skill both verbal and written
- Must be currently authorized to work in Canada

### Work Environment

- Regularly lift and carry up to 50 pounds to properly locate utility infrastructure.
- Standing for extended periods of time (>60 minutes) and considerable walking; 1-2 miles at least 2 to 3 times a week.
- Working outdoors including exposure to temperature extremes and variety of terrains.
