## EQUIPMENT OPERATOR

RFNOW Inc. is seeking applications from motivated individuals to join our **Construction and Maintenance Team**. The successful candidates will be involved in the day to day operations of our Construction and Maintenance departments. We currently have a operator fill.

This is an opportunity to join a team within a growing organization and have variety in their day to day duties.

### Qualifications/Essential Skills/Requirements:

- Excellent communication skill both verbal and written
- Experience with heavy equipment for underground construction (Backhoes, excavators, cat dozer directional drills, hydrovac, semi/trailers, dump trailer) would be considered an asset but willing to train suitable applicants
- 1-3 years of experience of civil earthworks or fibre-optic construction.
- Must have valid Class 1 license
- Experience with utility locates and working around existing utilities
- Clean, lubricate, and maintain equipment
- Conduct daily equipment inspections reports on equipment before use. Report any repair issues or equipment hazards immediately
- Secure special attachments to equipment
- Assist with general labor duties when needed, in order to complete fibre optic construction projects
- Transport materials to and from the jobsite, including loading and unloading
- Using proper tie-down procedures, secure materials to be transported to ensure the safety and security of the load
- Ensure that all work activities are carried out in a safe and efficient manner, and in compliance with company PPE standards
- Complete and submit all required accurate paperwork on a daily basis, including: daily site meeting logs, equipment daily inspection forms, attendance tracking.

### Job Details:

- Full time
- One positions available
- Start date in August 2020
- Benefits package
- Salary according to qualifications
- Stays in hotels required
- Monday – Friday (50 – 60hrs/week)
